APPOINTMENT LETTER

DATE : 27th November, 2022

Subject: Appointment Letter

Dear Nishigandha Narendra Dalvi,

We are pleased to offer you a position as an Architectural Intern on the following terms and conditions. You are asked to confirm the same.

1. Commencement of employment

Your employment will be effective, as of 28-11-22 and will continue for a minimum of 4 months.

2. Termination

2.1 Your appointment can be terminated by the Company, without any reason, by giving you not less than One months' prior notice in writing or salary in lieu thereof. For the purpose of this clause, salary shall mean basic salary.

2.2 You may terminate your employment with the Company, without any cause, by giving no less than One months' prior notice or salary for unsaved period, left after adjustment of pending leaves, as on date.

2.3 The Company reserves the right to terminate your employment summarily without any notice period or termination payment, if it has reasonable grounds to believe you are guilty of misconduct or negligence, or have committed any fundamental breach of contract or caused any loss to the Company.

2.4 On the termination of your employment for whatever reason, you will return to the Company all property; documents and paper, both original and copies thereof, including any samples, literature, contracts, records, lists, drawings, blueprints, letters, notes, data and the like; and Confidential Information, in your possession or under your control relating to your employment or to clients' business affairs.

3. Confidential Information

3.1 During your employment with the Company you will devote your whole time, attention and skill to the best of your ability for its business. You shall not, directly or indirectly, engage or associate yourself with, be connected with, concerned, employed or engaged in any other business or activities or any other post or work part time or pursue any course of study whatsoever, without the prior permission of the Company.

3.2 You must always maintain the highest degree of confidentiality and keep as confidential the records, documents and other Confidential Information relating to the business of the Company which may be known to you or confided in you by any means and you will use such records, documents and information only in a duly authorized manner in the interest of the Company. For the purposes of this clause 'Confidential Information' means information about the Company's business and that of its customers which is not available to the general public and which may be learnt by you in the course of your employment. This includes, but is not limited to, information relating to the organization, its customer lists, employment policies, personnel, and information about the Company's products, processes including ideas, concepts, projections, technology, manuals, drawing, designs, specifications, and all papers, resumes, records and other documents containing such Confidential Information.

3.3 At no time, will you remove any Confidential Information from the office without permission.

3.4 Your duty to safeguard and not disclose Confidential Information will survive the expiration or termination of this Agreement and/or your employment with the Company.

3.5 Breach of the conditions of this clause will render you liable to summary dismissal under clause above in addition to any other remedy the Company may have against you in law.

3.6 You shall be reimbursed in accordance with Company policies. The standard pay for interns is fixed and cannot be negotiated. First 15 days of your internship will be counted as a training period and you shall not be reimbursed for the same. Standard stipend might be increased if we find your performance to be better.

4. Acceptance of our offer

Please confirm your acceptance of this Contract of Employment by signing and returning the duplicate copy.

We welcome you and look forward to receiving your acceptance and to working with you.

Through his internship at Kapadia Associates Design LLP, Eldhose gained exposure to various facets of architectural design and practice. His involvement in projects ranged from conceptualization & development of designs to working drawing and detailing, providing him with opportunities to channel his creativity while testing and developing his skill and knowledge base.

Eldhose is a dedicated student who applies himself diligently to the task at hand. I found him to be sincere, hardworking and a keen observer who was eager to learn. I hope this internship experience helps in the development and realization of his career goals with greater clarity.

I wish Eldhose the very best for his future endeavors.
