

LATE SHRI. VISHNU WAMAN THAKUR CHARITABLE
TRUST'S

VIVA SCHOOL OF ARCHITECTURE

ABOUT US

Late Shri Vishnu Waman Thakur Charitable Trust was formed in the year 1988 under the leadership of Shri Hitendra Thakur, MLA of Vasai taluka.

The trust was formed to handle several concerns and to uplift a remote area like Vasai region. The provision of education medical and social facilities to the residents of the area was the primarily focus .It is the only trust which runs the maximum number of courses after Mumbai university.

VIVA School of Architecture (VSOA) is *affiliated by Mumbai University and approved by Council of Architecture (COA)*. Started in the year 2010 under the leadership of Prof. Dhiraj Salhotra and Prof. Chakor Mehta with an intake of 40 students. Since its inception, the school has been rapidly developing towards the vision of taking architectural education beyond mundane curriculum and achieving higher goals of holistic approach. The disciplined academic approach helps the pupils to inculcate in them the qualities of sincerity, punctuality and responsibility. The fraternity focuses on providing the future architects with the best possible knowledge. The professors give personal attention to each and every individual and help them in molding themselves into good human being. The young minds are encouraged to think rationally and develop an inquisitive attitude towards life and architecture as a whole.

The principal along with the faculty aims at nurturing the students to become responsible citizens and strong individuals with a vision to make a difference while being sensitive towards the society. They are trained to face the realities of world with confidence and practicality. "Work while you work and play while you play' 'that is what the school believes in.

The institute not only concentrates on the academic growth but also gives equal importance to the all round developement of the student.

PRESIDENT'S MESSAGE

"Late Shri. Vishnu Waman Thakur Charitable Trust was established in the year 1988 to promote the cause of education in Virar and its adjoining rural and backward areas.

VIVA School of Architecture nurtures unique system of education for creating dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of the society and nation at large.

it has an aesthetically designed and elegantly build campus furnished with state of the art equipment and facilities."

- Shri. Hitendra Vishnu Thakur.

OUR GOALS

- To spread education in all its branches.
- To make such education available to all without any distinction of caste, creed, class or community.
- To state, maintain and assist relief measures in those parts which are or become subjected to natural calamities such as flood, fire, drought, famine cyclone, earthquake, epidemic, storm, accident, pestilence etc.

FROM PRINCIPAL'S DESK

VISION

The mission of the School is to play a vital role in development of enhancing inclusive and sustainable habitat.

Encourage and anticipate paradigm shifts, and respond to change in the local, national and international communities.

MISSION

Our vision is to be a School of Architecture, built on rich Indian values where students are evolved as professionals competent in shaping the nation in global scenario, having cognizance of social and civic responsibility.

The School thrives in producing conceptual thinkers and designers who are trained in the discipline of progressive critical theory, humanities, innovative technologies, appropriate solutions to the needs and demand of ever evolving society. The school is committed to producing achievers embedded with desire to serve the nation by providing highly competent and service minded professionals through strength of their creative and analytical mind.

"VIVA School of Architecture is a place where creativity thrives and design is practiced as a knowledge-based discipline; a place where students and faculty alike bring their considerable acumen and talents to the solving of problems; an exciting place to be with a diverse set of highly energetic students and highly qualified faculty engaged in the study and exploration of architecture at a variety of scales and sizes.

The resources and opportunities available in VSOA range from meeting and learning with active industry representatives like practicing architects and artists engaged in shaping our environment, encourage the contemporary techniques of work through computer graphics, digital archiving and multiple-media projects while retaining accountability to the basic principles of architectural design.

In all the five years, students pursue their studies with creativity and intellectual rigor, preparing themselves to take their place as leaders as professionals and in society.

Students at VSOA work in an environment where they are stretched and challenged and have their expectations raised to achieve demanding targets. Faculty members ensure proper monitoring and mentoring of each and every student so as to get the best out of them."

- Prof. Chakor A. Mehta
